

We are especially excited to welcome **Dr. Duane Gish** of the Institute for Creation Research. Dr. Gish is a veteran of some 300 Creation/Evolution debates, author of numerous books and articles, and considered one of the “patriarchs” of the world-wide Creation Science movement. Few people today have the depth of experience needed to give us a “Historical Overview of the Creation Science Movement”. Come and hear what God has done!

**Dr. Duane Gish**

**Other featured speakers:**

**Tim Chaffey** - founder of Midwest Apologetics and a Christian school teacher

**Jim Kraft** - retired Green Bay high school science teacher and an ICR speaker
